

CCE details for HEAC Student Guide 2014-2015

Educational Institute: Caledonian College of Engineering						website: www.cce.edu.om		
Program code	Program code	Minimum requirements	Formula For Ranking	Tie Breaker	Additional information	Quota		
						Male	Female	Both
CCE01	BEngHonours Degree in Civil Engineering	Pass in General Certificate Diploma with grade not less than (C) with the following subjects : -Physics OR Chemistry -Pure Maths or Applied Maths	(Physics or Chemistry + Pure/ Applied Maths) × 60% + (average of all subjects) × 40%	Highest marks in: 1. Pure /Applied Maths 2.EnglishLanguage	<ul style="list-style-type: none"> • Applicants meeting the minimum requirement as specified are eligible for entry to Foundation Programme. • Applicants eligible for entry to Foundation Programme and claim capabilities to directly join Engineering Programme must successfully complete the College Engineering Entrance Examination. • Either Physics or Chemistry is accepted as relevant subject to all engineering programmes, excluding the following programmes for which Chemistry is Compulsory: <ul style="list-style-type: none"> a. Process Operation and Maintenance b. Chemical Engineering • All Programmes except CCE11* are affiliated to Glasgow Caledonian University (GCU), Scotland • * CCE11 -BSc. Degree in Chemical Engineering is in collaboration with Vellore Institute of Technology University (VITU), India 			60
CCE02	BSc Honours Degree in Built Environment (Construction engineering)							100
CCE03	BSc Honours Degree in Built Environment (Measurement & Cost Engineering)							80
CCE04	BEngHonours Degree in Computer Engineering							100
CCE05	BEngHonours Degree in Electronic & Instrumentation Engineering							80
CCE06	BEngHonours Degree in Electrical Power Engineering							60
CCE07	BEngHonours Degree in Telecommunication Engineering							100
CCE08	BEngHonours Degree in Computer Aided Mechanical Engineering							100
CCE09	BEngHonours Degree in Mechatronics							
CCE10	BSc Honours Degree in Process Operations & Maintenance	Chemistry						100
CCE11	BSc Degree in Chemical Engineering	Pure Maths or Applied Maths						80

* Note:1.CCE02 may have a change in the Programme title as "BEng(Hons) in Construction Engineering subject to approval from Ministry of Higher Education.

Dr.Ahmed Hassan Al Bulushi
Acting Dean
