At Caledonian we believe it is important for our students to feel they are in an extended family and we know that if you are not happy at college, you will find it difficult to study. We therefore provide a whole range of services and facilities that help you settle in and develop your personality and interests.
Caledonian Student Support Services (CSSS)
A department of dedicated and highly experienced staff looks after the welfare of our students at both our campuses and chances are you will meet with a member of CSSS at some point in your college career. The mission of CSSS is to enhance the academic, personal and overall development of our students and to this end, they will encourage you to make use of their many services. Through CSSS, you can also participate in events and activities designed to help you make the most of your study and leisure time at college. You can visit CSSS for advice on any of the following matters:

Other Facilities
- Professional advice, support and guidance in academic and non-academic matters
- Appeals and grievances
- Issues related to student accommodation
- Participation in social and recreational activities
- Joining the Student Council or a student clubs or society
- Alumni interaction

Counselling
Counselling is aimed at making students take responsibility for their own decisions, to become more aware of their personal resources and to be more able to cope with all aspects of life. The college has a certified counsellor who offers confidential guidance and support to students at every stage of their College life and helps them to explore, clarify, understand and overcome any problems or concerns that may affect their study. Our counsellor also provides specialist assistance at times of crisis and with long-term issues, including personal relationship and financial difficulties.

Accommodation
The college can provide accommodation for students. Separate accommodation of both men and women are provided at a subsidised cost. All accommodation activities are overseen by CSSS staff who allot rooms based on requests during admissions. Women’s accommodation for 252 students is located at Airport Heights Campus. The College provides transportation for students staying in college accommodation to and from the campus.

Learning Resources
The College Library and Information Centre (LIC) is a well-equipped, modern information-rich facility with 27,000+ books and 90 journals in a range of engineering and human resource-related disciplines. There is also a substantial holding of resources specifically related to educational and professional development. Over the years, the LIC has built up an impressive electronic resource and subscribes to the Ebrary database comprising 119,000 e-books, and to proQuest databases comprising 3,700+ e-journals.

The library houses different spaces for different activities including quiet study areas, an electronic library, a general reading area and a periodical section on both campuses. The library provides many services apart from the routine issue of books, including a User Orientation Programme, Selective Dissemination of Information and Current Awareness services. On enrolment at the college you will be inducted to all these services and we are always ready to support you in your learning by helping you make the most of these resources.

Other Facilities
CCE has enjoyed success in Wireless connectivity is available almost everywhere in both our campuses. The service is available to all students free of charge. You will be shown how to register you laptop with ITSC in order to use this service. The college provides you with a college email account for life.

Virtual leaning or e-learning facility at Caledonian College is powered by Blackboard and associated technologies. Caledonian College has added a new dimension to the delivery of the learning and experience through the addition of IT-assisted materials available on-line for students. A unique learning environment is offered in Café Fortéy and Café Heights.
